Chayatal Bangladesh

January 2017 to April 2024

Chayatal Bangladesh

Reg. No: Dha-09807; 3296 (NGO)

37/1-A, Johuri Moholla, shyamoli, Mohammadpur, Dhaka-1207

Annual Report of 2017

On January 1, the books received by the Bangladesh government were distributed among the 113 children on the three campuses of the organization. The book distribution program was held at the Chayatal corner of Shyamoli Park in Dhaka. The program was organized from 4 p.m. to 6 p.m. Some dignitaries of society and the volunteers of Chayatal Bangladesh were present on that program. Books had been distributed among the 45 first graders, 41 second graders, and 27 third grade students. It was observed that all the children were excited to get the new book.

Photo: Book distribution program

On March 7, a meeting was occurred with the guardians of campus II of Chayatal Bangladesh and the meetings were held in Campus I and Campus III on March 10 and 12 respectively. The volunteers tried to convince the parents from their respective places to explain the importance of education.

Photo: Guardian's meeting

On May 25, the clothes were distributed among hundreds of children of the organization for the 'Eid festival'. Some of the well-wishers and all the volunteers attended at that time. The program was organized from 4 p.m. to 6 p.m. The cloth distribution program was held at the Chayatal Corner of Shyamoli Park in Dhaka.

Photo: The moment before cloth distribution

Since March 2016, the organization has been running 'Street Child Education Program' for socially disadvantaged children. The education scheme is conducted on three campuses daily from 9 a.m. to 1 p.m. on its own syllabus. The organization is trying to bring underprivileged children back into the mainstream of society. Volunteers are managing the project in a timely manner.

Photo: Children Education Program

As several children of the organization were involved in begging, the organization trained Campus 1 and the children in making thongs from waste paper. So we are continuing our efforts to move these children away from begging and into activity. The thong-making training began on September 13, 2017.

Photo: Thong-making training

The annual exam was held from December 10 to 19. Assessment of children through examination and a class-based teaching system continues in this organization. After verifying the quality of the children's education, advanced children are admitted to their own classes.

Photo: Thong-making training

Annual Report of 2018

In January 2007, the storybooks were distributed among children. Children are encouraged to read these books along with government textbooks sent by the Bangladesh government. We continue to take steps to help children acquire external knowledge beyond textbooks.

Photo: Distribution of Storybooks

On March 10, we celebrated the fruit festival with children. They are happy to eat seasonal fruits. Each child was fed a mango, apple, banana, guava, latkon, litchi, and a few ripe jackfruit cells. We celebrate the fruit festival with children every year in March.

Photo: Fruit Festival

On May 19, Eid clothes were given to the children of three campuses in anticipation of Eid-ul-Fitr. The children were happier to get new dresses. On the same day, a clothing distribution program was held among the children of three campuses.

Photo: Eid Cloth Distribution

On the 25th of July, children and volunteers of the organization formed a human chain to inform the general public about the harmful aspects of climate change. Children with different placards and festoons in the human chain attract everyone's attention. Everyone applauded this type of movement with the children.

Photo: Human-chain against climate Change

This is a view of the noon of September 15th. At the end of every class, we try to feed the children a full meal. From the beginning, we served food to children on clay plates. Considering children's nutritional aspects, we include a sufficient amount of vegetables and small fish in the food list. To reduce the cost of food, we market ourselves and cook in the office of the organization.

Photo: The moment before eating

On the morning of December 30, the final examination result was published among three campuses. All the passed students were allowed to join the next class. Prizes were given to first, second and third place students in all classes through the publication of branch-wise results.

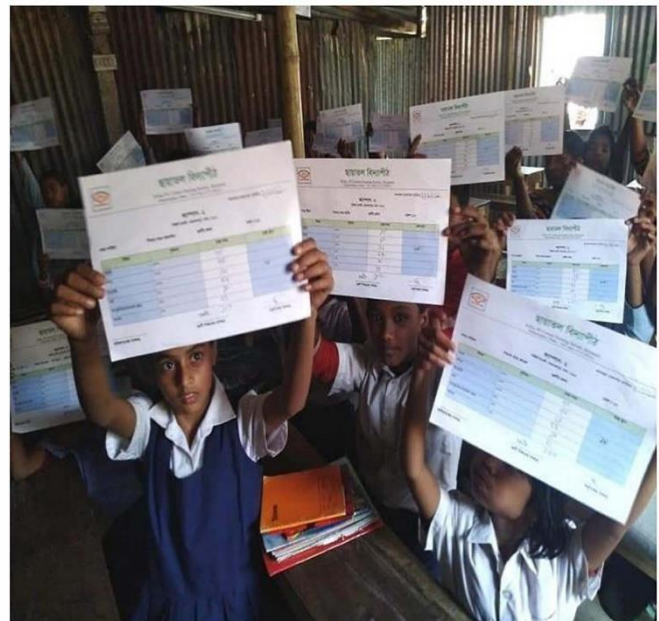

Photo: The result publishing day

Annual Report of 2019

On January 11th, underprivileged children were given free blankets to prevent winter, which was courtesy of Shahjalal Islarni Bank Ltd. and organized by Chayatal Bangladesh. Mr. Mejor Mahbub Parvez (Rtd.), the Member of the Adviser Council of Shahjalal Islarni Bank Limited, attended as a special guest in the Blanket Distribution Program.

Photo: Blanket distribution

Moral ethics books were distributed among all children according to their respective religions to teach moral education to children. Most of the volunteers of Chayatal Bangladesh were present on that program. It was observed that all the children were excited to get the new book.

Photo: Moral ethics book distribution

On May 20, ahead of Eid-ul-Fitr, new Eid clothes were distributed to children, and the Mehndi festival was celebrated with them. Mr. Jahangir Nakir, the president of SCAN, and volunteers of the organization were present at the clothing distribution program.

Photo: Mehdi festival

A colorful cultural program was organized on July 25 at Shyamoli Park Chayatal Corner as a part of the entertainment aimed at children's mental development. Sometimes we continue such arrangements on behalf of the organization.

Photo: Cultural program

On October 16, all the children visited the Central Shaheed Minar to learn about the language movement. A director of the Bangla Academy. All volunteers from Jalal Ahmed and Chayatal Bangladesh organizations were present during the visit with the children.

Photo: Children in front of Central Shaheed Minar

On December 24, after the end of the annual examination, the annual sports competition program was organized for the children. Games like the children's race, frog jump, biscuit race, cockfight, etc. were organized. Prizes were awarded to the 1st, 2nd, and 3rd place winners.

Photo: Annual sports competition

Annual Report of 2020

At the beginning of the year, on January 5, school bags were distributed among the children of the organization. They were happier to get new books along with school bags and materials. A school bag and educational items distribution program was held at the Chayatal corner of Shyamoli Park.

Photo: School bag distribution

On January 10, new school uniforms were distributed among the children of the organization at Shyamoli Shishupalli Auditorium. Renowned writer Selina Hossain, Eng. Md. Abdul Awal, the chairman of The Structural Engineers Ltd., and all the volunteers of Chayatal Bangladesh were presented there. School uniforms are distributed to the children of the organization in the first week of every year.

Photo: School uniform distribution

The children's first aid program was started at the initiative of the organization's volunteers. This program has continued since February 15. Free medical camps are conducted occasionally by the organization with the help of various medical teams.

On February 26, the Uddipta Foundation presented an honorarium memento to the Chayatal Bangladesh organization for its contribution to social development. The publicity secretary of the organization, Jhuma Ahmed, accepted the mement.

Photo: Received honorarium mement

During the global spread of the corona virus, the volunteers of Chayatal Bangladesh made face shields and delivered them to different hospitals to stand by the doctors and health workers engaged in the treatment of corona virus infected patients in Bangladesh. This activity started on March 10.

Photo: Face shields making

During the global corona virus outbreak and the lock down announced by the Bangladesh government, people who work in different areas, such as day laborers, became inactive. Consequently, these workers led their life very hardly with their families. Food items for one week were distributed to more than 2000 families in several stages in April to stand by the helpless people in this difficult time in different parts of the country.

Photo: Food distribution

On August 1, we got a cow as a gift to the children on Eid-ul-Adha. On the Eid day the beef were distributed among all the children of the organization. Every year we distribute beef and mutton among the children.

Photo: Qurbani's Cow with children

We have continued the relief distribution program with the help of various donor organizations to stand by the distressed and helpless families. In continuation of this, in front of the office of the organization, on the occasion of National Mourning Day on August 15, we distributed 1-week food packages to 200 families.

Photo: Package of foods for poor

On October 23rd, Chayatal Bangladesh's self-supporting Project-5 was taken up. Chayatal Bangladesh distributed rickshaws among the poor and helpless people. In the picture, you can see our small effort to keep the family of two helpless people named Suzan and Matlob well.

Photo: Rickshaws distribution

On November 8, the Volunteers Organization of Chayatal Bangladesh did work for the poor and helpless with the assistance of the Federation of Bangladeshi Associations in North America (FOBANA) and Chayatal Bangladesh. Chayatal Bangladesh was next to provide food for a week of daily food assistance to about hundreds people.

Photo: Eid cloth distribution

A free homeopathic medical camp was organized for children on May 21. Dr. Mithun and his medical team conducted the campaign. At that time, with care, they discussed health-related issues and gave out free medicine. We organize free medical camps and counseling programs after three months.

Photo: Homeopathic medical camp

Food is always arranged for the children of Chayatal Campus I in collaboration with Utshob Group. The volunteers of the organization hold a monthly food market for the children of every campus at the beginning of the month. On June 2, we did the market for the children of Chayatal Campus-1 in collaboration with utshob group.

Photo: Monthly marketing

We encourage the children to read storybooks, poetry, and general knowledge along with the curriculum for their intellectual development. We don't want our children to be reluctant to develop their talents. As a result, we try to increase their interest in their educational programs in different ways. It is a small effort to develop their talents.

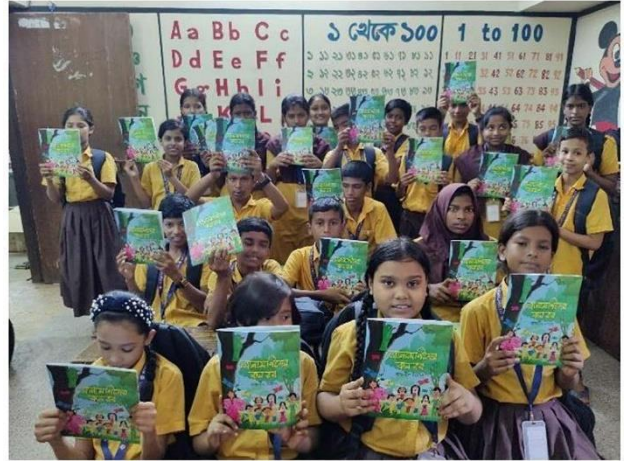

Photo: Co-curricular book distribution

On August 15, we arranged a drawing competition for all the children at Shyamoli Park. At the end of the competition, we organized a prize-giving ceremony and a "Hari Vanga" game. For the development of the talent of the children and to make them familiar with our old traditions, we made these small efforts.

Photo: Drawing competition

On September 8, Utshob Group Founder and CEO, Mr. Raihan Zaman, and his daughter, Samarna Chayatal, attended the Bangladesh Cultural Program. There were about two hundred children there. Children participated in a dance and song competition at that event. Samarna had brought many prizes and chocolates for them. They were very happy and excited.

Photo: Cultural Program

Small and low-income countries like ours are suffering as a result of carbon emissions around the world. Which is affecting our economy and daily lives. On September 23, the children of "Chayatal Bangladesh" participated in the Global Climate Strike-2022 to bring the carbon of developed countries down to zero and to demand compensation for countries like ours.

Photo: The Global Climate Strike-2022

On October 3, the COVID-19 vaccination program was held at Penfield School Lalmatia, Dhaka, for the students of Chayatal, Bangladesh. Chayatal Bangladesh is active in providing healthcare to keep children healthy.

Photo: Co

Program

On October 27, the children of Chayatal Bangladesh went to the Green Lounge Buffet to have dinner. Dhiman Nath, the well-wisher of our organization, arranged the program for the wedding ceremony of his brother. Around two hundred children attended the program. This was organized to fulfill their wish.

Photo: Attended wedding ceremony

On November 13, the Chairperson of Bangladesh Associations in North America (FOBANA), Mr. Dr. Ahsan Chowdhury (Hero), attended the cultural program of Chayatal Bangladesh. About two hundred children participated in a dance, a song, and various competitions at that event.

Photo: Cultural Program

On November 27, the volunteers inquired about the underprivileged children at the burning slum area in West Agargaon. The main motives of the campaign were 'Improving Children's Quality of Life and Health Awareness.'

Photo: Inquires on burning slum

On December 5, we organized a workshop on dengue prevention for the underprivileged children through the initiatives of the 'Eagle Mosquito Coil', the brand of Kazi Enterprises Ltd. The name of the workshop was "Be Aware, Stay Safe."

Photo: Dengue prevention campaign.

On December 30, we launched the new Campus IV with the assistance of the Toronto Indian Youth Cultural Association (TIYCA).

Photo: Launching Campus IV

Annual Report of 2023

On 2nd January, 2023, Chayatal Bangladesh distributed new books among all students. The government of Bangladesh ensures the delivery of textbooks to schools at the beginning of each year. Students were very excited and delighted to receive new books.

On January 24th, Chayatal Bangladesh organized a match viewing for children at Mirpur Stadium between Fortune Barishal and Sylhet Strikers. Tamanna Akhtar, a student of Chhayatal Bangladesh, was awarded "Most Enthusiastic Fan of the Match" during the BPL match. The children were very excited to watch the game.

On February 8th, Chayatal Bangladesh's children attended a book fair where the unveiling of the new book "Ora Fhul Hoye Fote" by the mentor of Chayatal Bangladesh, Ahmed Bashir Sir, took place. The children gained knowledge and expressed interest in reading books while attending the book fair

On February 24th, at midnight, Chayatal Food Bank continued its operations. Food was collected for the wedding of the son of Syeda Kabir Tuli Ma'am, the founder of Chayatal Bangladesh. This endeavor is to provide food for the children by collecting leftovers from the community center.

On March 3rd, due to insufficient opportunities for recreational activities for children in the city of Dhaka, leading to hindrances in their physical and mental health development, Work for a Better Bangladesh (WBB TRUST) organized a playground event at Car free Street, D Block, Mohammadpur Babar Road, to address these concerns.

On March 21st, with the assistance of Apex, new school shoes were distributed among the children of Chayatal Bangladesh. The children were very happy to receive new shoes from Apex

Throughout the month of Ramadan, iftar is arranged for fasting individuals. Before the start of iftar, iftar packets are distributed to rickshaw pullers, pedestrians, the needy, and the sick

On April 17th, Chayatal Bangladesh distributed new clothes among the students. Each child can celebrate Eid according to their own style. With this program, the sweet smiles on the children's faces give us satisfaction

On May 12th, with the initiative of the "Nature and Life Foundation," Chayatal Bangladesh conducted blood tests, medical treatments, and provided medication among the children. Since the beginning, the Nature and Life Foundation has been by the side of Chayatal Bangladesh's children. We express gratitude to the "Nature and Life Foundation" for being with the children of Chayatal Bangladesh.

On June 18th, with the initiative of the Bangladesh Medical Student Association, Chayatal Bangladesh organized discussions on menstrual health awareness, provided medical treatment, and distributed pads to girls through the "Abhoya" project.

On July 7th, Chayatal Bangladesh organized a joyful excursion for its students to the Bangladesh National Museum. Alongside education, this event aimed to enhance the children's creativity for intellectual development.

From August 1st, sewing machine training began among the students of Chayatal Bangladesh. Alongside education, our endeavor is to make the children self-reliant through this initiative.

From September 5th, Chayatal Bangladesh began providing mobile training to students. Alongside education, our effort aims to foster self-reliance among children.

From October 1st, Chayatal Bangladesh began providing computer training to students. Alongside education, our effort aims to foster self-reliance among children.

From December 3rd, Shadow Bangladesh began providing handicraft training to students. Alongside education, our effort aims to foster self-reliance among children.

A project named "Project Rupantar" is being conducted in collaboration with Nerdiz.com and JCI Dhaka Prestige. In this project, children from Chayatal Bangladesh participate spontaneously and can learn about artificial intelligence and robotics.

Annual Report of 2023

On January 3rd, winter blankets were distributed among the children and parents of Chayatal Bangladesh. This was our small effort to ensure the well-being of the helpless children suffering during the winter. We aim for these children to be healthy, just like everyone else.

Educational materials were distributed among the students on the 15th of January. At the beginning of every year, children are gifted various entertainment toys along with these educational materials to spark their interest in learning.

On February 2nd, new school dresses and new school bags were provided to the children. Popular actor Jayed Khan and many notable personalities were present at the event.

On February 23rd, children create headbands with their own hands through the handicraft institution. We want these children to become self-reliant and stand on their own feet to support their families.

Throughout the month of Ramadan, iftar meals and sehri food items, as well as new Eid clothes for needy children and people, are distributed by Chayatal Bangladesh.

On April 28th, auto-rickshaws were provided to the morning students of Chayatal, Bangladesh, to enable them to commute independently. We hope these children can stand on their own feet without being swept away and lead their families to a better life.
