### A Meal of Hope in Every Heart This Ramadan

During the blessed month of Ramadan, Chayatal Bangladesh carried out a dedicated Iftar distribution program across Dhaka, serving more than 200+ underprivileged individuals every day, including street children and vulnerable communities. With a strong commitment that no one should remain without Iftar, the organization consistently worked to reach those in need, ensuring they could break their fast with dignity. This initiative reflects compassion in action, where every contribution directly translates into a meal for someone in hardship. Donors can take pride in being part of a meaningful effort that delivers immediate impact bringing relief, joy, and a sense of belonging to those often overlooked. The transparency and consistency of this program build deep trust, allowing donors to clearly see how their support is making a real difference in people's lives during this sacred time.

### A Ramadan Story of Hope – Made Possible by You

As the sun was setting on a quiet Ramadan evening, a mother sat in a small, dimly lit room with her children. Like many other days, she was worried—wondering how she would arrange Iftar. The holy month, meant to bring peace and reflection, had instead become a time of silent struggle. Then, a knock on the door changed everything. A **Chayatal Bangladesh** volunteer stood outside, carrying a Ramadan Food Box-Filled with essential food items including rice, lentils, dates, chickpeas, puffed rice, potatoes, onions, garlic, vermicelli, sugar, powdered milk, Hamdard Rooh Afza, and cooking oil, and more... simple things, yet life-changing for that family. Tears filled her eyes not out of sadness, but relief. That evening, for the first time in many days, the family sat together and broke their fast with dignity. There was food on the table, but more importantly, there was peace in their hearts.

Tears filled her eyes—not out of sadness, but relief.

That evening, for the first time in many days, the family sat together and broke their fast with dignity. There was food on the table, but more importantly, there was peace in their hearts.

This is not just one story. This is the reality for over **100+ families** you have touched this Ramadan.

### Because of you:

1. Children went to bed without hunger
2. Parents felt dignity instead of despair
3. Homes were filled with gratitude instead of worry
4. Your generosity did more than provide food it restored hope.

**Your single act of giving has multiplied into countless moments of relief, smiles, and prayers made for you in quiet nights.**

And as Allah reminds us in the Holy Qur'an:

**"The example of those who spend their wealth in the way of Allah is like a seed... Allah multiplies for whom He wills." (2:261)**
